Dear Sir,

Please find the submission of our manuscript, **Amyotrophic Lateral Sclerosis (ALS): First Case Report in Department of Neurosurgery, Faculty of Medicine, Universitas Padjadjaran, Bandung and Literature Review**, which we would like to submit for publication in the International Journal of Integrated Health Science. Herewith, we also attached *3 sets of manuscript (hard copy) and 1 CD (soft copy)*.

In this manuscript, we reported a case that is so exceptional, since ALS occurrence in our Neurosurgery Centre is extremely rare, and the diagnosis can only be established through electromyography and histopathological of muscle biopsy studies.

Author and all co-authors have seen and agreed with the contents of the manuscript and there is no financial interest to report. We certify that the manuscript submitted is an original work and is not under review at any other publication. We thank you for considering our manuscript for publication in the International Journal of Integrated Health Science and look forward to hearing from you at your earliest convenience.

Sincerely yours,

Ahmad Faried, dr., SpBS., PhD
