International Journal of Integrated Health and Science

Dear Sir,

Please find the submission of our manuscript,

Prevalence of Hematotoxic Effect of Intravenous Chemotherapy among Retinoblastoma Population in Tertiary Hospital

which we would like to submit for publication in the International Journal of Integrated Health Science. In this manuscript, we observed the prevalence of hematotoxic effect in retinoblastoma patients who were given intravenous chemotherapy with vincristine, etoposide, and carboplatin (VEC) regimen.

Author and all co-authors have seen and agreed with the contents of the manuscript and there is no financial interest to report. We certify that the manuscript submitted is an original work and is not under review at any other publication. We thank you for considering our manuscript for publication in the International Journal of Integrated Health Science and look forward to hearing from you at your earliest convenience.

Sincerely yours,

Jennifer Hadiman
